KAIMUKI CLUB IN BUSY SESSION

Many reports of progress were made by committees on different subjects at the monthly meeting of the Kaimuki and Palolo Improvement Club last night, with President A. C. Davis in the chair. A number of matters were referred to appropriate committees.

E. A. Berndt, chairman of the committee on roads, water supply, etc., gave an interesting report on the water situation, quoting at some length a letter from Marston Campbell, superintendent of public works, to Governor Frear, containing a summary of plans for improving the water supply of the city.

From this it appeared that the entire district bounded by a line from the Pahoa pumping station to the Moana Hotel, thence to Diamond Head, to Black Point, to Waiialae road and back to the station, is dependent on the single Risdon pump at that station with a capacity of 3,000,000 gallons a day. Should the pump break down the district mentioned would be visited by an absolute water famine, no other station in the system having a surplus capacity equal to supplying the district.

Will Get New Pump.

It is intended, under the outstanding loan fund appropriations, to install a 5,000,000 gallon pump at the Pahoa station and then keep the old pump for a reserve. With this installation the Pahoa works will take care of the district up to the 300-foot level. From that elevation up to 600 feet a supply will be obtained by developing certain springs at the head of Palolo Valley, which, with a storage reservoir, will be good for a quarter of a million gallons daily.

Most of the pipe-laying for the improved water service has been completed.

At the instance of Ed. Towse, the club decided to procure, by subscriptions of the residents of the section, a bronze tablet bearing in bas-relief Lincoln's address at Gettysburg and a facsimile of the great emancipator's signature, to be placed in Liliuokalani school.

The board of directors at a meeting after the club adjourned, appointing Towse, Berndt and Logan as a committee to place the order for the tablet with some importing house before the next mail leaves.

Another matter referred to the directors was an instruction to have the name of Palolo avenue, the next thoroughfare to Waiialae road and parallel thereto on the Kaimuki side, changed. This is owing to confusion of the name with Palolo road running to Palolo settlement and valley, which has caused misdelivery of merchandise, etc., in many cases.

DR. PUTMAN BUYS VALLEY HOME SITE

Dr. Frank L. Putman, superintendent of the Lihue hospital, Kauai, before his departure for the Coast bought one and one-third acres of land in Nuuanu Valley, between the places of Georg Rodiek and W. H. Babbitt. The purchase was made through J. W. Pratt's real estate office and the price was \$7500, which is considered very good for unimproved property.

It is Dr. Putman's intention to erect a nice home on the premises, which will fill a gap in a considerable line of elegant residences along the valley road.
